- Objective** To obtain a job at a design studio where strong peer relationships and resources are utilized in order to channel creativity into practice producing smart, bold work.
- Experience**
- Barbarian Group** 2009-2010 | *Web/Interactive Design Internship*  
As a Barbarian intern, I collaborated with Art Directors and Web/Program Developers on high profile web marketing projects and also participated in creative meetings.
- Alphabet Arm Design** 2008-2009 | *Graphic Design Internship*  
Logo design, assisting senior designers in various tasks, t-shirt design, preparing work for print, web development, poster design, brainstorming, and coffee-fetching were just a few of my responsibilities as an Alphabet Arm Intern.
- Education** New England School of Art and Design at Suffolk University  
*NASAD accredited Art and Design program*  
Bachelor Degree of Fine Arts - Graphic Design - 2009
- Technical Skills** Photoshop, Illustrator, In Design, Dreamweaver, Flash, MS Office, both PC and Mac operating systems, illustration, screen-printing and stencils
- Honors** 2009 | Delta Alpha Pi Society - Academic Recognition  
2007-2009 | Peter C. and Gretchen A. Paige Scholarship recipient  
2006 | Foundation show  
2007 | In House Design Program - Treasurer
- Interests** I like creating comic zines, riding my bike, and collecting records. Traveling is my favorite hobby, but I spend most of my spare time skimming design blogs or reading books.
